

Full of Surprises

Seems like I've been down this road before
And I never thought I'd come back
Oh, come back here for more
Trace my steps along the same old way
And then count the times you're gonna
Oh, gonna make me pay

Never thought I'd see the day when
I never thought I'd need for more
Hang on every word you say now
Driftin' further from the shore

And baby, oh you are
Oh you're full of surprises
When you catch me out
And baby, oh you are
Oh you're full of surprises
Catch my soul, don't let me go

Same old story still remains the same
There's no need to always
Always shift the game
When everyone around you's had their say
Oh you turn around and tell me
That was yesterday

Never thought I'd see the day when
I never thought I'd need for more
I hang on every word you say now
Driftin' further from the shore

And baby, oh you are
Oh you're full of surprises
When you catch me out
And baby, oh you are
Oh you're full of surprises
Catch my soul, don't let me go

Never thought I'd see the day when
I never thought I'd need for more
I hang on every word you say now
Driftin' further from the shore

And baby, oh you are
Oh you're full of surprises
When you catch me out
And baby, oh you are
Oh you're full of surprises
Catch my soul, don't let me go

And rescue me, from the shore
Cause I've drifted ever closer
Ever closer back for more
And rescue me, from the shore
Cause I've drifted ever closer
Ever closer to the rocks
I'm gonna crash and burn for more
