

## Honey Baby

Tell me now babe, what I should do,  
Show me and I'll play along with you.,  
Gotta slow it down, when those doubts reappear,  
Oh, hold me now babe, when I'm outta line,  
Oh, I've got nothing else but time,  
Come on hold me now, lay down all those fears,

I'd go round the world for you,  
To the ends of the earth for you,  
Wanna tell you all about it

Honey baby, when you've got what you wanted,  
You'll be the death of me.  
Honey baby, always more than you needed,  
You'll be the death of me.

Tell you now babe, say that it's true,  
Sure there's no one else but you,  
Gotta trust sometimes, it'll all be clear,  
Oh you know it now babe, they sold you that dream,  
You don't know just what it means,  
So come on hold me now, dry away those tears,

I'd go round the world for you,  
To the ends of the earth for you,  
Wanna tell you all about it

Honey baby, when you've got what you wanted,  
You'll be the death of me.  
Honey baby, always more than you needed,  
You'll be the death of me.

Got what you wanted,  
More than you needed,

Tell me now babe, what I should do,  
Show me and I'll play along with you.,  
You gotta hold it down, when those doubts reappear,  
You gotta hold it down, when those doubts reappear,

I'd go round the world for you,  
To the ends of the earth for you,  
Wanna tell you all about it

Honey baby, when you've got what you wanted,  
You'll be the death of me.  
Honey baby, always more than you needed,  
You'll be the death of me.

Honey baby, when you've got what you wanted,  
You'll be the death of me.  
Honey baby, always more than you needed,  
You'll be the death of me.

Oh you're like honey to me baby

Oh, my honey baby, you'll be the death of me.
