

## Superwoman

Look at us now  
Sure what can we do  
That's the only way that  
They control you  
Watch every move  
With those laser eyes  
Know your name, your number  
There's no running, no disguise

Superwoman, Superman  
Save us all, while you can  
'Cause we've all gone a bit too far  
So get in your car  
And drive away  
Drive away

And when you believe  
It's the land of the free  
It's nothing but an illusion  
For all of the worker bees  
Corporations to feed  
And forget about the need  
There's no money to be made  
From the beggar on the street

Superwoman, Superman  
Save us all, while you can  
'Cause we've all gone a bit too far  
So get in your car  
And drive away  
Drive away

Superwoman, Superman  
Save us all, while you can  
'Cause we've all gone a bit too far  
So get in your car

Superwoman, Superman  
Save us all, while you can  
'Cause we've all gone a bit too far  
So get in your car  
And drive away  
Just Drive away  
Just Drive away  
Just Drive away
