

The Devil in Me

Just another step away
But it feels more like a million, to me
And you say I'll never know
I could follow some direction, follow you

Deep in your heart
You know it's not true
That there's no fuel here, for me to use

Another rainy day
Strangers passing on thier way, nothing new
There's a darkness in your eyes
Tells me there's a storm inside, to weather through

Deep in your heart
You know it's not true
That there's no fuel here, for me to use

Do you really wanna see
Do you really wanna see
The devil in me
Cause I can let him go, babe
Do you really wanna meet
Do you really wanna see
The devil in me
Cause I can set him free, baby

If I said that I was wrong
Maybe hasten things along, play it through
But I'm runnin' up that hill
Only fallin' down again, in front of you

Deep in your heart
You know it's not true
That there's no fuel here, for me to use

Do you really wanna see
Do you really wanna see
The devil in me
Cause I can let him go, babe
Do you really wanna meet
Do you really wanna see
The devil in me
Cause I can set him free, baby

Do you really wanna see
Do you really wanna see
The devil in me
Cause I can let him go, babe
Do you really wanna meet
Do you really wanna see
The devil in me
Cause I can set him free, baby

You can bring him out in me baby
You can bring him out in me baby
You can bring him out like no one else can
You can bring him out like no one else can
Like no one else can
